## First Step Camp MISSION STATEMENT

First Step Camp aims to provide high school students in the Vietnamese community with essential knowledge and skills to take the initial steps to pursue their future endeavours. Through the plethora of counseling, leadership and team-building activities, campers explore various opportunities, and are inspired to develop their personal and academic goals.

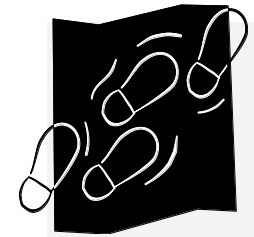

### Give Youths a Chance... To Take the First Step!

## First Step Camp OBJECTIVES

- Provide an affordable camp experience to high school students;
- Present a forum for high school students to inquire about post-secondary school and career options;
- Assist high school students to develop life goals;
- Teach leadership skills that will translate into success throughout their lives;
- Create an environment to network and develop long-lasting friendships.

## About First Step Camp

First Step Camp is designed for high school students in the Vietnamese community, and it aims to inspire a sense of spirit, excitement and accountability among youths.

The adolescent years are utmost important in an individual's life stage. First Step Camp believes that given the right opportunities and proper guidance during this crucial time can be developed with positive life experiences, strong relationships and essential life lessons that will give youth the fundamental building blocks and confidence to be tomorrow's leaders and positive role models.

Through academic counseling, various leadership and team-building activities, First Step Camp strives to instill a sense of pride and confidence in today's youth that will allow them to take a proactive role in their lives and to contribute back to the community.
